First Edition.

29cm x 25cm. 144 pages, photographs, some colour. Pictorial boards.

"Featuring more than 50 first-hand interviews with 200 photos of the Brisbane Aboriginal Community. Brisbane Blacks is a unique insight into the lives of Aboriginal people through stories that may otherwise have remained untold. In this book over 50 Aborigines tell history in their own words, backed by the authors narrative and a wealth of photos from archives, newspapers, family albums and the author's private collection. The photos are reproduced on fine art paper with a large page size. The memories shared by these people range from light-hearted to deeply moving, and combine to portray a proud, vibrant picture of life in Brisbane." Brisbane Blacks audio disc included.
