THE BOOK OF SYMBOLS: REFLECTIONS ON ARCHETYPAL IMAGES

The Archive for Research in Archetypal Symbolism

Koln: Taschen, 2010.

First Edition.

24.5cm x 17cm. 808 pages, colour illustrations. Illustrated matte papered boards.

"The Book of Symbols combines original and incisive essays about particular symbols with representative images from all parts of the world and all eras of history. The highly readable texts and over 800 beautiful full-color images come together in a unique way to convey hidden dimensions of meaning. Each of the ca. 350 essays examines a given symbol's psychic background, and how it evokes psychic processes and dynamics. Etymological roots, the play of opposites, paradox and shadow, the ways in which diverse cultures have engaged a symbolic image—all these factors are taken into consideration. Authored by writers from the fields of psychology, religion, art, literature, and comparative myth, the essays flow into each other in ways that mirror the psyche's unexpected convergences. There are no pat definitions of the kind that tend to collapse a symbol; a still vital symbol remains partially unknown, compels our attention and unfolds in new meanings and manifestations over time. Rather than merely categorize, The Book of Symbols illuminates how to move from the visual experience of a symbolic image in art, religion, life, or dreams to directly experiencing its personal and psychological resonance. The Book of Symbols sets new standards for thoughtful exploration of symbols and their meanings, and will appeal to a wide range of readers: artists, designers, dreamers and dream interpreters, psychotherapists, self-helpers, gamers, comic book readers, religious and spiritual searchers, writers, students, and anyone curious about the power of archetypal images." DEADLY WOMAN BLUES: BLACK WOMEN & AUSTRALIAN MUSIC

Clinton Walker

Sydney: NewSouth, 2018.

First Edition.

23.5cm x 17cm. 248 pages, colour illustrations. Illustrated wrappers.

Illustrated work of women of colour of Australian music, the first such book of its kind. The work contains micro-biographies of over 100 artists each accompanied by an original artwork produced by Walker. The work was withdrawn shortly after publication due to backlash from several of the women featured in the book over biographical errors causing offence. Most copies were pulped, with only a small number sold before being withdrawn. One of the most recent cases of Australian literature suppression with numerous public statements regarding the work available. CAINS 171.
